Dear Michael Fletcher:

I receive your five pages letter, page one copy is enclosed. The USPTO should send you all document which is needed. I just finish the amendment of the U.S. application number 10/823,847 on 23 May 2005. The same application is filed as international application # PCT/US2005/011750 on 07 April 2005. That may be the reason why USPTO didn't get enough time to send PCT the amended copy.

Should I wait USPTO to send you the paper or should I send you the amended paper directly from me? The due day is 13 June 2005. The USPTO may not meet the due day. You can email me at mikeaaa56@hotmail.com or phone (H) 732-494-0863, (CE) 908-917-8188. Both phones are in U.S.A.
